Overall Strategy

A leading financial institution in the UAE by focusing on sustainable growth

Organic Growth of Core Banking Activities

- ◆ Build on opportunities with strategic partners and key economic players of the 2030 plan
- ◆ Continue to target large creditworthy UAE-based corporate banking customers
- ◆ Focus on the quality of service and range of products it can offer as factors that distinguish FGB from its competitors

Establishment of Associated Companies and Subsidiaries

- ◆ Separate subsidiaries to undertake property development and private equity investment for better focus on these businesses
- ◆ Focus on the fee income business through property management and equity brokerage services
- ◆ Aseel Finance to provide Shariah-compliant mortgages to purchasers of developments undertaken by strategic partners

International and Targeted Regional Growth

- ◆ Continue the geographic diversification through:
 - an expansion strategy for our physical presence in Singapore and Qatar
 - a progressive built strategy of the representative offices (London and Mumbai)
- ◆ Focus on key UAE trade partner countries in priority
- ◆ Position the bank to take advantage of new available growth opportunities beyond the international and regional financial crisis
