3. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

Save for any fees payable to the Dealer, so far as the Bank is aware, no person involved in the issue of the Notes has an interest material to the offer. The Dealer and its affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform other services for, the Bank and its affiliates in the ordinary course of business for which they may receive fees.

4. REASON FOR THE OFFER

The net proceeds of the issuance of the Notes will be used to fund or refinance, in whole or in part, eligible projects in eligible categories which are defined in the Issuer's Sustainable Finance Framework.

The Bank has broadly defined the eligible categories in accordance with the Green Bond Principles promulgated by the International Capital Market Association. Eligible categories include:

- renewable energy;
- energy efficiency;
- green buildings;
- pollution prevention and control;
- sustainable management of living natural resources and land use;

- terrestrial and aquatic biodiversity conservation;
- clean transportation;
- sustainable water management;
- climate change adaptation;
- affordable basic infrastructure;
- access to essential services;
- affordable housing;
- employment generation, including through the potential effect of small medium enterprise financing; and
- socio-economic advancement and empowerment

Up to 100% of the proceeds may be applied to refinance existing eligible projects within the eligible categories that are currently funded by the Issuer. Proceeds used for refinancing eligible projects will be substituted in favour of funding new eligible projects within eligible categories as and when these become funded by the Issuer.

The Issuer expects that the proceeds will be allocated to eligible projects within the Middle East region. However, given the nature of the Issuer's business and the international operations of the Issuer's clients, the proceeds may be used globally without geographical restriction.

Where any portion of the proceeds has not been applied to finance eligible projects within eligible categories the proceeds may be invested according to local liquidity management guidelines pending investment in eligible projects.
