Subject to the approval of Shareholders of the PIMCO Credit Absolute Return Fund (the “Fund”) and the requirements of the Central Bank, the investment objective of the Fund shall be amended to provide that the sub-fund will seek maximum long-term return consistent with preservation of capital and prudent investment management. It is proposed to amend the investment objective in order to emphasise the long term focus of the investment strategy and to avoid any confusion about the Fund being market neutral. The revised Supplement is expected to be noted by the Central Bank on or around 1 October, 2018.

2. Shareholders’ approval

For the sanctioning of the ordinary resolutions in relation to the re-appointment of PricewaterhouseCoopers as auditors to the Company and the authorisation of the Directors to fix the remuneration of the auditors, a majority of the Shareholders, consisting of fifty per cent (50%) or more of the total number of votes cast, present in person or by proxy, who cast votes at the annual general meeting of the Shareholders, are required to vote in favour of it.
