

# FAB BUILDING MANAGEMENT SOLUTIONS (FBMS)

بنك أبوظبي الأول

**FAB**

First Abu Dhabi Bank

## What is FBMS?

FBMS is a seamless digital platform that allows you to track all activities related to National Housing Loans (NHL) and complete your tasks online. FBMS provides a detailed, multi-level view of the project's progress, and insights to help you make data-driven decisions at all levels!

FBMS also enhances cooperation and communication between you and the Home Owners, ensuring clarity and collaboration between all parties.

You can access FBMS from anywhere and at any time, smoothly and securely.

### How does FBMS benefit you?

- Ability to showcase your capabilities and achievements to potential clients
- Reduced turnaround and processing time
- Increased operational efficiency
- Enhanced collaboration between you and the Home Owners
- Enhanced visibility with regards to project status and tracking
- Increased scalability of operations

### What are the key features of FBMS?

- Online vendor registration and management
- Paperless workflow among you, the Home Owners and the NHL Department
- Design submission in scope with tendering, allowing you to select a project and upload the relevant design documents. Home Owners can also choose which Contractors they want to take part in the tendering process
- Digital payments
- Ability to purchase insurance online
- Tendering and Awarding performed digitally
- Ability to submit service requests digitally without visiting a branch
- Handover and maintenance at the final milestone
