

Bedaya for the future of your children program

Have you ever wondered what is the cost of your children's education?

Distinguished university education allows your children to have a career full of opportunities. Now, you can actually give them the right start into it by financially planning for their future and defining your financial and investment goals.

Bedaya for the future of your children program

Program characteristics

Wide range of investment strategies

With this program, you have a wide range of options to choose the best investment plan to suit your needs and meet your financial goals, while having the flexibility of changing the plans up to 4 times a year.

Accidental death coverage

If loss of life occurs due to an accident, your beneficiaries will receive an additional %50 of the account value subject to a maximum equivalent to 200,000\$.

Cash withdrawals

You can make partial withdrawal after the second year.

As for the additional protection, you have accidental insurance to make sure you are securing your goals.

The program includes the following coverage:

Accident insurance

MetLife will disburse an amount of money to ensure you & your loved ones will be properly secured financially against any accident that may cause permanent disability or death.

In addition, MetLife assists you in receiving a second medical opinion from one of the largest hospitals in the world.

Additional benefits

Waiver of premium

MetLife exempts the policy owner from paying the insurance premiums in case of death or permanent total disability.

Term life insurance

MetLife pays you a sum of money in case of death, or terminal illness, with an accelerated benefit payment according to the medical consensus.
