1. INTRODUCTION

The ability of the banking industry to achieve the socio-economic objectives and in the process bringing more and more customers into its fold will ultimately depend on the satisfaction of the customers. We have a strong belief that a satisfied customer is the foremost factor in developing our business.

A need was felt by us at First Abu Dhabi Bank (hereinafter referred to as 'FAB' or 'the Bank') that in order to become more customer friendly, the Bank should determine a charter of its services for the customers. This document highlights FAB's commitments towards the customer satisfaction, thus ensuring accountability and responsibility amongst its officials and staff. This charter for customers not only explains our commitment and responsibilities along with the redressal methods but also specifies the obligation on the part of customers for healthy practices in customer-banker relationships.

This is not a legal document creating rights and obligations. The charter has been prepared to promote fair banking practices and to give information in respect of various activities relating to customer service.

We maintain constant consultations with our clientele to evaluate, improve and widen the range of services to customer. However, all our customers are requested to keep us informed of their experiences about the various services rendered by the Bank and feel free to comment on this charter.

Kindly note that information given in this document pertains to India Products and Services of FAB, as of May 2021 and is subject to change/ revision. This document should not be considered as a legal document creating rights and obligations. It is for promoting better understanding between a customer and FAB. Only key information on various facilities/services is given in this document. Each facility/service has its own detailed terms and conditions; which can be made available on request.
